14 mind-blowing underwater scenes from Coldplay's Up&Up

The new Coldplay video for **Up & Up**, from their *A Head Full Of Dreams* album, is composed by a set of 69 imaginative, symbolic, surprising and mind-blowing scenes. Many of them have to do with the underwater world, so we had fun spotting and listing them below. The video is also a powerful reflection on social and environmental issues. Enjoy!

1. *Sea turtle flying through tube station*

2. *Synchronized swimmers in teacup*

3. *Person jumping into water off tortoise head*

4. *Lady swimming in the sky*

5. *Bald eagle flying underwater*

6. *Manta ray flying close to surfers*

7. *Submarine-rider*

8. *Children walking through banks of fishes*

9. *Eagle flying underwater (encore)*

10. *Colourful upside-down city hanging above sea*

11. *Scuba diver finning alongside flying airplane*

12. *Elephant seals swimming above the city*

13. *Girls swimming in washing machine*

14. *Lady diving into clouds*
